

Proto-Paint™

**AIRBRUSH READY
ACRYLIC**

Rapido Trains Inc. is proud to announce our NEW line of acrylic model railroad paints. Our paint is color matched to real paint chips for the most accurate colors possible. All our railroad colors dry to a decal-ready gloss finish and our weathering colors dry to a flat finish. All our paint is manufactured for us right here in Canada.

Our first release will start with a variety of 60 different Canadian and American colours, including such basics as Grimy Black, Slag Brown and Stencil White.

We will be adding more colors every month. If you have a color you would like to see us produce please let us know.

*Do you want a custom color for your store?
We can help you with that also.*

**Suggested Retail
8.95 CDN • 7.95 USD**

**Dealers must order in
cases of 6 per color**
